**IN THE MASTER'S COURT
BEFORE THE DEPUTY MASTER
AT 10.30 O'CLOCK**

NOTICE

With effect from Tuesday the 20th November 2012 the following arrangements will apply to all cases listed in the Dublin Personal Injuries List

Up to 30 cases to include 2 Specially Fixed may be listed each day to the end of the Hilary Term 2015

Cases not assigned to a judge for hearing on the day on which they are listed will roll over from day to day until the end of that week.

Any cases not reached or commenced at the end of a week will be dropped from the list and will require, in due course, an application to be made for a new hearing date in the usual manner.

All Specially Fixed cases and cases afforded priority will retain priority over other cases and will be assigned for hearing in the order in which they appear in the list.

All other cases will be assigned for hearing at random each day and not in the sequence in which they appear in the list.

Practitioners should notify the Principal Registrar when Actions in the Personal Injury List are settled. A letter from either party will be accepted to take the Action out of the list. The Action will then be starred and listed for mention on the last Thursday of every term except when the last day of term is a Thursday. Parties must notify the Court if an Action is likely to take more than four days for hearing.
